

## WILSON PLEASSED AT PACT STAND

President Sends Wire  
to Cummings Telling  
of Satisfaction.

## SEES SURE VICTORY

Gratefully Appreciates Mes-  
sage Sent Him by Con-  
vention; Telegram Is Read.

SAN FRANCISCO, July 3.—Pres-  
ident Wilson in a telegram to Na-  
tional Chairman Homer S. Cum-  
mings, which was read today to the  
convention, declared that the course  
the democratic party had taken with  
respect to the league of nations filled  
him "with perfect confidence" that  
it will go from victory to victory un-  
til the tradition, of the republican  
are vindicated.

"This is a conquering purpose and  
nothing can defeat it," the president  
asserted.

The message which was in reply  
to one of appreciation and greetings  
from the convention follows:

"The White House, July 2.  
"Hon. Homer S. Cummings:  
"Chairman democratic national  
committee.

"SAN FRANCISCO.  
"It was with the most grateful ap-  
preciation that I received the mes-

sage from the convention so kindly  
transmitted by you. It is a source  
of profound pride with me to re-  
ceive such evidence of the confi-  
dence of the great party which de-  
rives its principles direct and un-  
mistaken from the founders of our gov-  
ernment and the authors of our lib-  
erty. While our opponents are en-  
deavoring to isolate us among the  
nations of the world, we are follow-  
ing the vision of the founder of the  
republic who promised the world  
the counsel and leadership of the  
free people of the United States in  
all matters that affected human lib-  
erty and the justice of law.

That promise we deliberately re-  
newed when we entered the great  
war for human freedom and we now  
keep faith with those who died in  
Flanders fields to redeem it. That  
I should have been accorded lead-  
ership in such great matters fills  
my heart with gratitude and pride  
and the course the party had taken  
fills me with a perfect confidence  
that it will go from victory to victory  
until the true traditions of the re-  
public are vindicated and the world  
convinced not only of our strength  
and prowess, but of our integrity  
and our devotion to the highest  
ideals. This is a conquering purpose  
and nothing can defeat it.

"Woodrow Wilson."

His regular job was brushing the dust from  
Uncle Enoch's moth-eaten jug business. For  
a dollar a day and experience.  
His secret side-line was a "Pierre and la
